PAGET, BERMUDA

WWW.RESORTSANDGREATHOTELS.COM/NEWSTEAD

THE FIRST NEW HOTEL BUILT in Bermuda in 35 years, the Newstead Belmont Hills is the island's only all-suite property and its only true golf and spa resort.

With just 45 waterfront residences, the Newstead lavishes guests with the island's most coveted commodity: elbow room. Spacious suites feature a fresh take on Bermuda's old-world charm with all of the comfort and convenience of home. Each one-, two- or three-bedroom suite offers a private balcony with views from the

garden to the infinity pool to Hamilton Harbour. Guests also enjoy a full-function kitchen, a luxurious bathroom and an inviting living area.

The Newstead's amenities might match those of a large resort, but the highly personal, know-you-by-name service puts those larger properties to shame. Whether in the hotel or

on the golf course, the dedicated concierge service will assist guests in making reservations and planning exciting excursions. Championship golf, a water ferry, and the Samadhi Spa are just a few of the top-notch amenities available to discriminating guests.

The Blu Bar & Grill, located on the Belmont Hills golf

course, offers the best steak and seafood you can find on the island, while Beau Rivage, overlooking the picturesque Hamilton Harbour, is the only French restaurant in Bermuda.

Quiet strolls on the beach, precious moments by the infinity pool watching sailboats and shopping in downtown Hamilton offer guests well-deserved relaxation. No other place on Bermuda lets guests experience island life like the Newstead Belmont Hills Resort. Perfectly capturing that uniquely Bermudian blend of charm, tradition and sophistication, the Newstead immerses guests in the breathtaking natural beauty and distinctive culture of the islands.
